November 21, 1969.

H. Wakeham

I am returning herewith an executed copy of the agreement with Mr. M. Russell Dock of the Plantation Tobacco Company for disclosure of the inventions he controlled relating to a water filter cigaret. Please note on the second page of the letter he has documented the patent and patent applications referred to in paragraph 2 of the letter.

I have at the same time also received from him four samples which may be described as follows:

1. 100 cigaret filter sections enclosing water capsules and plain sponge;
2. 100 cigaret filter sections containing water capsules, activated charcoal, and sponge material;
3. 100 "Adjusta-Filter" sections containing water capsules and plain sponge material; and
4. 100 "Adjusta-Filter" sections containing water capsules, activated charcoal, and sponge material.

Please note that these samples were received by hand in the offices of Pioneer Land Company, Inc., in the presence of Mr. Ed Blake and Mr. George C. Sweeney, Jr., abt. 757 Fifth Avenue (General Motors Building).
